# Asia Entrepreneurship Training Programme 2019

## Launch your venture in Indonesia

Indonesia is welcoming science, technology, and social entrepreneurs.

The Asia Entrepreneurship Training Programme (AETP) is a start-up accelerator providing Swiss entrepreneurs with access to the entrepreneurial ecosystem in Indonesia and the ASEAN.

ETH Zurich, in collaboration with the ZHAW School of Management and Law, offers an international assistance programme to Swiss start-ups intending to launch a venture in Indonesia (ASEAN). The AETP programme includes free partner search, targeted training, individual team coaching and access to matching investors and incubators in Indonesia.

### YOUR BENEFITS

- Prepare a winning business case
- Pitch directly to Asian investors and incubators
- Launch your venture in Indonesia (ASEAN)
- Access a vast entrepreneurial ecosystem

### REGISTER ONLINE

Register your founding team for the six-month part-time accelerator programme in Zurich and Jakarta.

Online applications will close 15 December 2018:
